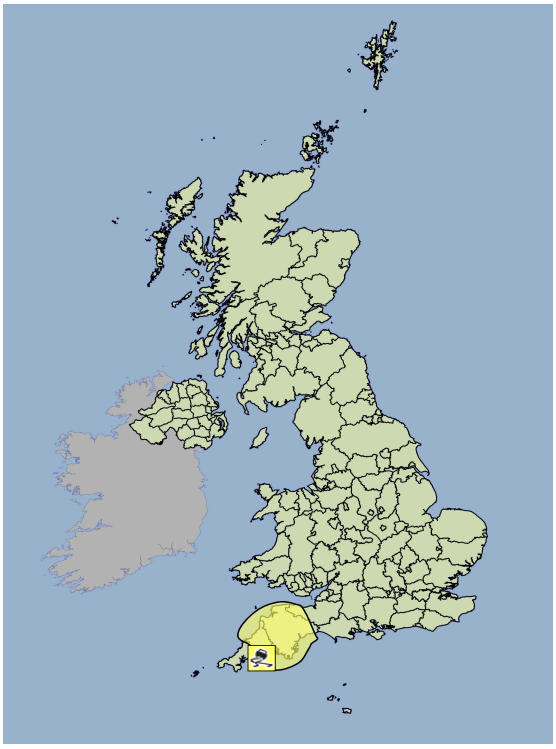
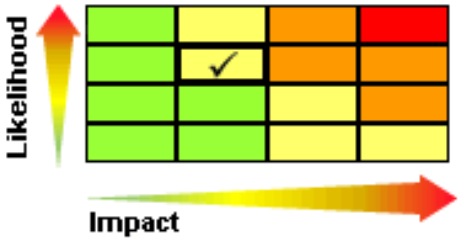
National Severe Weather Warning Service





Chief Forecasters Assessment
Clear spells during the rest of tonight will allow temperatures to fall below freezing in places leading to the risk of ice on untreated surfaces. Further showers will also occur which could lead to localised wash-off where roads have been treated.

The Met Office have issued a **Yellow Warning** of **Ice**

Valid from **03:30 on Sun, 29th Dec 2013** until **10:00 on Sun, 29th Dec 2013**

Icy patches are expected to form on untreated surfaces overnight into Sunday morning, especially where showers have occurred.

The public are advised to take extra care and be aware of the potential for some disruption to travel.
